

NorthStar Pet Rescue and
St. John's Episcopal Church
Tricky Tray 2023

Dear Donor,

NorthStar Pet Rescue and St. John's Episcopal Church are hosting a combined Tricky Tray event on October 22, 2023 at the Parsippany PAL building, 35 Baldwin Road in Parsippany, NJ.

We are working to change the plight of abandoned and homeless dogs while also helping to support local food programs. Your support will help fund these critical outreach programs.

We are anticipating approximately 300 attendees. As a donor, you will receive valuable publicity prior to and during the event. Any help you can provide to these causes would be greatly appreciated.

The types of donations we would appreciate, but not limited to, are:
Completed gift baskets or new items/merchandise that our team can transform into baskets to raffle off such as:

- Products you sell
- Gift certificates, coupons, memberships, etc.
- Event tickets
- Gift cards
- Monetary donations

Donations can be picked up by a volunteer or mailed to:

Thank you so much in advance for your support.
